

**WE NEVER GAVE UP ON NATURE!**

Company “**GMP Jarmenovci**” is located on Rudnik mountain slopes, well known for fresh water springs, clean air and best orchards in Serbia.

Our company is engaged in purchasing and processing best quality fruits and vegetables with modern technologies that guarantee the quality and nutritional value of the product, that is evidenced by numerous awards and prizes for quality.

All our products are free of preservatives, sweeteners and artificial additives. They are produced exclusively with natural sugar and domestic raw materials. Products are 100% domestic origin.

Our mission is customer satisfaction with high quality and product assortment.

Our vision is to set new production standards and to harmonize traditional products with modern time and standards.
